MINERS WILL HAVE XMAS TREE AT THE BUTLER

GOODFRIEND GENEROUSLY DONATES THEATRE FOR XMAS AFTERNOON

Instead of the Miners' union having its annual Christmas tree in the Miners' Exchange hall, as has been the custom in the past, the tree will be placed on the stage of the Butler theatre this year, according to an announcement by the committee yesterday. Manager Jake Goodfriend, of the Butler, has tendered his theatre to the union, which will have complete charge all day Christmas. In the afternoon the presents will be distributed and the youngsters, as well as the grown-ups, will have a chance to witness a good performance without cost. There will be specialties provided for by Mr. Goodfriend as well as home talent, which will be secured by the union committee.

The tree will bear a gift for every child in this city and a cordial invitation is extended to the youngsters to be present.

S. W. Barnes and wife came over from Goldfield yesterday morning. Mr. Barnes is the city agent at that place for the Tonopah and Tidewater road.

H. Marley Noy is in from Georges canyon, where he has been doing the location work on an immense and very promising ledge, recently discovered by himself and O. B. Noy.

Dr. N. H. Higgins, who has charge of the Humboldt Tonopah property, east of this city, leaves this morning for San Diego. While doing development work on the Humboldt several days ago, the miners employed encountered some very promising ore and it is Mr. Higgins' intention to confer with the owners of the property regarding future development.

IS APPOINTED MASTER MECHANIC AT FLORENCE

FORMER LOCAL MECHANIC SECURES GOOD POSITION AT GOLDFIELD

William A. Lynch, formerly connected with the Desert Power and Mill company at Millers, who resigned to take a position as assistant master mechanic at the Goldfield Consolidated machine shops, yesterday accepted an offer of master mechanic at the Florence in Goldfield, succeeding Milton Schmeizer.

BUTLER WILL CHANGE PROGRAM EVERY NIGHT

MANAGER JAKE GOODFRIEND ANNOUNCES HIS LATEST INNOVATION

A large crowd enjoyed a good show at the Butler last night. Five good pictures were shown and Miss Hoffman's rendition of "Let's Get the Umpire's Goat," was great. She also sang another big popular hit entitled, "Won't You Come and Blow Bubbles With Me." To appreciate good singing one must hear her sing. At tonight's show Miss Hoffman will sing some new songs. Commencing tomorrow night and continuing until January 1, the program will change each night except Sunday night. The pictures and songs will all be late and up-to-date. The admission is 10 cents. Matinee today at 2 o'clock.

WILL FURNISH MUSIC AT MONTANA CAFE

Professors Voss and Tatro will entertain the patrons of the Montana cafe this evening between the hours of 6 and 8. The success of the plan, which was first tried last Sunday evening, caused the management of the Main street cafe to secure the popular musicians office more. It is probable that the management will enter into a contract with Voss and Tatro to play every Sunday night throughout the winter months.

CHANCE FOR DAGGETT'S HEIRS

The United States government is just now in need of a little rocky island not far from Honolulu. It is merely a lot of rocks jutting above five acres, but an ideal site for a lighthouse. There is some trouble in securing a title but the Appeal desires to inform the government just how to go about it. When Rollin Daggett was minister to the islands he used to spend most of his time playing poker with King Kalakoua, if that's the way you spell the name. One day in a desperate play, his majesty having been cleaned out by Daggett, he staked that same identical island on a pair of jacks that only had a reinforcement of two trays, and Daggett, who had wagered \$10,000 against the reality, won. If the government of the United States wants a perfect title to the island it will have to go to Daggett's heirs.—Carson Appeal.
